PE1 Action: CSC Coordinator

10 Points

 Bronze Mandatory

Program Summary: Attached is the original resolution appointing the CSC Coordinator on 6/11/2019 (date located above the vote record) as well as the resolution dated 12/14/2021 appointing a new CSC Coordinator, Gabrielle Sasson. Gabrielle, a resident of the Village of Pelham, has served as co-chair of Pelham's Sustainability Advisory Board and Climate Smart Communities Task Force since July 2020. Along with co-chair Yenna Chan, Gabrielle leads monthly SAB/CSCTF meetings, coordinates SAB/CSCTF projects and CSC documentation, and liaisons with the Village Mayor and Board of Trustees.

PE3 Action: Fleet Inventory

4 Points

Program Summary: The attached fleet inventory was completed by May 31, 2021. Also attached are the procedures by which the village fleet inventory is updated.

EXCEL: [PE3 FLEET INVENTORY.XLSX](#)

WORD: [FLEET INVENTORY UPDATE BLURB.DOCX](#)

PE3 Action: LED Street Lights

8 Points

Program Summary: By the end of 2019, the Village of Pelham replaced 497 inefficient cobrahead fixtures with energy efficient LED fixtures under the New York Power Authority's (NYPA) Energy Efficiency Program. The total annual energy savings will amount to 93,861 kWh. Included in the attachments is the Village of Pelham's Clean Energy Community Score Card from NYSERDA indicating completion of the LED installation.

PE5 Action: Waste Reduction Education Campaign

2 Points

Program Summary: The Village of Pelham's Sustainability Advisory Board (SAB) and Climate Smart Communities Task Force (CSCTF) has a successful and ongoing waste reduction education campaign with the purpose of educating the public and encouraging waste reduction, recycling, and composting. Efforts include the Recycle Right App, a variety of events, and social media outreach. These efforts culminated on April 10, 2021 with the grand opening of the Pelham Food Scrap Recycling collection site, which was celebrated with a ribbon cutting ceremony attended by many members of Pelham and surrounding communities: <https://pelhamaminer.com/34228/latest-news/snapshot-pelham-all-of-it-begins-recycling-food-scrap/>

PDF: [FOOD_SCRAP_PROGRAM_GUIDE_RLS.PDF](#)

6. Implement climate-smart land use.

PE6 Action: Smart Growth Policies

10 Points

Program Summary: Attached is a detailed explanation of the Village of Pelham's Smart Growth Policies, for a total of 10 points, attained through the Village's Business District Floating Zone (BDFZ). Also included in the attachment is the BDFZ code, as well as links to additional supporting documentation.

PDF: [CSC SMART GROWTH POINTS_UPDATED 6.2022.PDF](#)

PE6 Action: Complete Streets Policy

4 Points

 Bronze Priority  Silver Priority

Program Summary: The Village of Pelham created the VOP Pedestrian Safety & Traffic Calming Committee and adopted the attached Complete Streets policy. This Committee has been involved in major construction projects on Lincoln Avenue (including the Lincoln Avenue Bridge Project and the corridor's repaving project). They also have conducted calming studies on Sparks Avenue which acts as an on-ramp to the Hutchinson River Parkway. Please see attached.

PE6 Action: Alternative-fuel Infrastructure

4 Points

 Bronze Priority  Silver Priority

Program Summary: May 3, 2022 the Village of Pelham announced Pelham's first public electric vehicle (EV) charging station <https://www.pelhamgov.com/home/news/pelhams-first-public-ev-charging-station>. The Level 2 station, available 24/7, is located in the parking lot behind Village Hall. Over the coming months, the Village will be installing four additional EV charging stations throughout our downtown. Attached is the press release regarding the new charging station as well as a photo from June 2022 of two cars being charged at the site.

PDF: [PELHAM'S FIRST PUBLIC EV CHARGING STATION.PDF](#)

IMAGE: [IMG_5674.JPG](#)

PE6 Action: Local Forestry Program

5 Points

Program Summary: Village of Pelham, NY Tree cover Survey: This survey was conducted in January 2020 using the i-Tree application. The methodology and results including the raw data are included in the submitted documentation. The results show a 41.2% tree cover, which translates into 27,313.80 tons of stored carbon dioxide. Annual carbon sequestration of carbon of 1,087.60 tons translates to a value of \$ 50,407. Grassland accounted for 14.4% of land cover. The survey used 2437 samples to produce results with a sampling error of less than 1%. More detail is found in the report.

PDF: [ITREE_CANOPY_METHODODOLOGY.PDF](#)

8. Support a green innovation economy.

PE8 Action: Farmers' Markets

3 Points

Program Summary: The Village of Pelham and Chamber of Commerce entered into an agreement to hold a Farmer's Market every Sunday May 16 through October 31, 2021. The Village of Pelham Sustainability Advisory Board and Climate Smart Communities Taskforce maintained a table at the market promoting food scrap recycle, Healthy Yards, and other sustainability programs. <https://www.instagram.com/p/CSmVC0Ur9ed/> <https://www.instagram.com/p/CTvc2FhsD-g/> <https://www.instagram.com/p/CUAaJ0WLbYD/> <https://www.instagram.com/p/CUCv4vPLZjv/> <https://www.instagram.com/p/CVatDfGrLT0/>

PDF: [PELHAM MARKET BACKUP.PDF](#)

PE8 Action: Community Choice Aggregation

18 Points

Program Summary: On November 3, 2015, the Village of Pelham adopted Local Law No. 1 of 2015 to establish a Community Choice Aggregation Program, a law committing its participation in Westchester Power's Community Choice Aggregation program run by Sustainable Westchester. The VoP's population is 7,016 according to the U.S. Census Bureau. This earns the Village 18 points for this action. CCA Code: <https://ecode360.com/31079465>

PE8 Action: Rooftop Solarize Campaign

5 Points

Program Summary: Village of Pelham working with EcoPel and the Solarize Pelham team held workshops to introduce the Pelham community to the benefits of solar panel installations on March 15, 2018 (Town of Pelham's Daronco Town House); March 28, 2018 (Daronco Town House); April 26, 2018 (The Manor Club); and May 5, 2018 (Town of Pelham Library). We also held a Solar Open House Tour on May 20, 2018, for Pelhamites to visit solar-equipped homes; and held a workshop specifically for commercial property owners at Rockwell's Restaurant on June 18, 2018. These efforts resulted in a total of 42 Pelham homeowners installing solar. Attached is the documentation showing the Village of Pelham's participation in the NYSERDA Solarize Campaign, earning full points for this action.

IMAGE: [CEC CLEAN HEATING AND COOLING LETTER.PNG](#)

9. Inform and inspire the public.

PE9 Action: Climate Change Education & Engagement

4 Points

 Bronze Priority  Silver Priority

Program Summary: Attached is the Village of Pelham's Climate Change Education and Community Engagement Strategy including goals, scope, partners, and a summary of Outreach efforts made during the past year (June 2021 - June 2022) supporting climate change mitigation and adaptation initiatives and education, including over 9 events, as well as weekly community tabling and other outreach efforts.

PDF: [CSC PE9 JUNE 2022 TEXT.PDF](#)

PE9 Action: Climate-related Public Events

3 Points

Program Summary: The Village of Pelham held many climate-related public events within the past year, outlined starting on page 3 of the attached document, including links to pictures and videos.

PDF: [CSC PE9 JUNE 2022 TEXT.PDF](#)

PE9 Action: Local Climate Action Website

3 Points

Program Summary: The Village's Sustainability Advisory Board's page <https://www.pelhamgov.com/sustainability-advisory-board> and Climate Smart Community Task Force's page <https://www.pelhamgov.com/climate-smart-communities-task-force> provide an overview of climate related government efforts of the Village of Pelham. The site outlines the Village's major initiatives underway related to building community resilience to climate change and climate change mitigation efforts. It also provides external resources related to sustainability, energy efficiency, and other information on how citizens can make a difference. Actions Residents & Businesses In The Community Can Take to Reduce Their GHG Emissions are listed here: <https://www.pelhamgov.com/climate-smart-communities-task-force/pages/actions-residents-businesses-community-can-take-reduce>

PE9 Action: Social Media

3 Points

Program Summary: Facebook: @sustainablepelham <https://www.facebook.com/SustainablePelham/> Instagram: @climatesmartpelham <https://www.instagram.com/climatesmartpelham/> Through Facebook and Instagram postings, the SAB and CSC Task Force share information on climate and sustainability-related news, initiatives, educational opportunities and other events that may be of interest to Pelham residents, and encourage Pelhamites to learn more about climate change and sustainability issues and to take action, both on an individual and community level. SAB and CSC Task Force also cross-post with local and regional organizations and share information with local community groups. The two attachments below contain links to VOP CSC/SAB posts as well as cross-posts.
